Can there be any stronger proof offered than the evidence of Lancaster residents? After you have read the following, quietly answer the question.

D. C. Sanders, proprietor of lumber and coal business, Campbell St., Lancaster, says: "I have used Doan's Kidney Pills with satisfactory results and do not hesitate to endorse them. My kidneys were out of order and I had dull, nagging backaches. I also had soreness just over my kidneys, and my kidneys were irregular in action. Doan's Kidney Pills, procured at Stormes' Drug Store, relieved the trouble and put my kidneys in good condition."

Mr. C. Turner, Mr. and Mrs. Jim Turner and daughter, Mr. and Mrs. John Woods and Miss Georgia Crutchfield of Nicholasville, Mr. and Mrs. Mat Folger of Somerset, Mrs. Linda Leavel and Miss Hattie McDonald of Spencer county, attended the funeral and burial of Mrs. Mary E. Fain at Buckeye the 8th.

The distressing and sudden death of Mrs. Mary E. Fain, wife of Wm. Fain of this place came as a shock to her relatives and many friends. Altho she had been an invalid for several months, she had been as well as usual until a short time before death came on Jan. 6. Had she lived until the 17th of Feb. she would have been 65 years of age. She is survived by a devoted husband and three children, Mr J. B. Fain of Kansas, Walter Fain of this place, Mrs Joe Ray of Buckeye, and a number of grandchildren, one brother, Mr. C. Turner of Nicholasville, two sisters, Messdames Eliza McDonald and Linda Leavel of Spencer county. She was a member of the Methodist church at Guns chapel. Rev. Tindor of Lancaster conducted the funeral services at Buckeye last Monday afternoon. In loneliness and sorrow we have fully realized the heart-broken anguish one can experience when giving up a friend and "mother". We have learned the stern reality of grief from which there is no escaping, but our religion teaches that the greatest mission of life is "usefulness to the living" and that we must bow submissively to the will of God. Altho our eyes are dimmed with tears, and the shadows of bereavements are all around us we are thankful for the comfort which comes from living in contact with such a beautiful character and christian faith as our dear sister.

To Tobacco Growers and those who sell it

Here are the Madison House sales as billed to the buyers since our last letter.

Tuesday, January 9th	246585 pounds	\$45,684.74	Floor Average	\$18.53
Wednesday, January 10th	125095 "	\$23,218.53	"	\$18.55
Thursday, January 11th	78280 "	\$14,541.15	"	\$18.58
Friday, January 12th	53335 "	\$9,767.33	"	\$18.31
Monday, January 15th	51200 "	\$9,854.68	"	\$19.27
Total for week	554495 "	\$103,076.43	"	\$18.59

Our floor averages have been lowered by the exceptionally heavy per cent of mountain tobacco sold the past week. We would like to print a lot of the good individual averages but it would hardly be fair to give some and leave out others just as good and we can't give them all. A lot of them \$22.00 to \$28.25. Market much stronger on red tobacco and the colors holding steady with an upward trend.

We always ignore the petty slanderous rumors that go the rounds about us, because they are usually an insult to average intelligence, BUT WE DO WANT TO CORRECT the wide spread idea that the Richmond market is suffering from a car shortage. We believe in PREPAREDNESS and were fixed weeks ago to take care of every pound of tobacco the Richmond market will sell if we don't get another car till next summer. So far we have never stored a pound outside our pricing room and we don't expect to. Everything is all right and when it isn't we will tell you so.

We have the best market in the state and the Madison House can always be found leading in prices and pounds. We were the Pioneers and we expect to be on the job for the farmer as long as there is a Richmond market. We could not afford to mislead you if we would. Bring your tobacco to Richmond—then sell it at the Madison House. Phone 371.
